Hudec Dental Macedonia Office Celebrates a Decade of Smiles

Cleveland, OH (8-24-2020) – Hudec Dental’s Macedonia office has reached a milestone this August, celebrating 10 years of business. The company has grown from the dreams of founder/President, Dr. John A. Hudec, to a company with 20 locations throughout Northeast Ohio.

Over the years the Macedonia office has grown in many ways along with being a good beginning and continuation for our staff. The Macedonia office is the 11th Hudec Dental office to open and is proud to have served the people of Macedonia for the past 10 years and many more years to come.

To celebrate, Hudec Dental is inviting employees, current patients and new patients to take advantage of the festivities taking place at the Macedonia office throughout the week of August 24nd – 28th. The week will be full of different types of contests, celebrations and a virtual gift for our patients during that week. We will also be hosting a virtual game night on August 27th at 6:30 PM.

Hudec Dental continues to improve their services by providing a knowledgeable and experienced team of dental professionals who operate with the latest technology and services available. Hudec Dental’s ability to provide dental care for our patients and their families is the reason for our existence.
